

Support the Great Hearts students and teachers at our Title 1 schools!

Thanks to parents like you, Great Hearts students come to school eager to learn and be transformed by their teachers into leaders prepared for the 21st century. But every day at Maryvale Prep in West Phoenix and Teleos Prep in downtown Phoenix, many students come from low-income neighborhoods and rely on their school communities to provide them with the materials needed to thrive both in and out of the classroom.

The teachers at these Great Hearts schools work tirelessly to bridge the chasm poverty has cut. They teach their students the skills necessary for success, but they also provide children with extra support like school supplies, uniforms, a meal when needed, or transportation to and from school.

In addition to partnering with your academy through the Community Investment campaign and Tax Credit drive, please make a gift to the Great Hearts Greater Good fund. Your support allows the teachers at Maryvale Prep and Teleos Prep to provide the high-quality education that every child deserves, regardless of their socioeconomic background. Thank you for showing generosity beyond your own school community by supporting the students, teachers, and families of our Great Hearts Title 1 academies!
