Transfer Policies/Guidelines

Students eligible for transfer are required to start attending their current academy at or before the beginning of the second semester and must successfully complete the academic year at that academy to be eligible to transfer to their new academy of choice for the next school year. In the case of siblings, transfer requests submitted for one sibling must be for the same recipient school as transfer requests submitted for all other siblings.

Transfer requirements:

- Must not be in the process of being expelled from their current academy.
- Students may only submit for one transfer request and priority per academic school year at one academy.
- The transfer priority approval is based on the discretion of the Headmaster to the academy the student is attempting to transfer into.
- If a student is being retained at their current academy, their transfer application and any other enrollment applications will be changed to the retained grade level.

Once the desired academy approves the transfer, the application will be marked for transfer priority status for the upcoming school year. Transfer priority status does not guarantee enrollment, but rather it places the transfer application in a prioritized position on the waitlist for the desired academy in the desired grade.

ALL NINTH GRADE OR HIGHER INTRA-GREAT HEART TRANSFERS SHALL BE SUBJECT TO ARIZONA INTERSCHOLASTIC ASSOCIATE (AIA) ATHLETIC "TRANSFER" BYLAWS, AND PURSUANT THERETO MAY BE DEEMED INELIGIBLE FOR ATHLETIC ASSOCIATION.
