

2018-19 Transfer Request Application - Great Hearts Texas

Instructions

Applicants will follow a two-step process to indicate their desire to transfer between Great Hearts academies:

1. Applicant will complete an application in the online enrollment system for the desired academy.
2. Applicant will complete a "Transfer Request" application for one Great Hearts academy.
3. Email or deliver completed form to the Office Manager of the academy for which you are requesting a transfer.

Transfer Policy

A student may only request a transfer to one specific Great Hearts academy. In the case of siblings, transfer requests submitted for one sibling must be for the same recipient school as transfer requests submitted for all other siblings. Transfer requests are reviewed by the desired academy, and your application will be marked for "transfer priority" status once the request is approved. Students approved for transfer are required to finish out the year successfully in their current grade at their current academy before they will be eligible to transfer to their new academy of choice for the next school year. Transfer priority status does not guarantee enrollment, but rather it places the transfer application in a prioritized position on the waitlist for the desired academy in the desired grade. Students requesting a transfer must not be in the process of being expelled from their current academy.
