

## Create a customized summer program that goes beyond the classroom.

ASU Prep Digital is working with schools to design customized summer programs for students interested in getting a head start toward college. It's a great opportunity for students to complete challenging courses, like College Algebra or French 1, at an accelerated pace. And the best part is, they can work from anywhere—on the road, at home or in the classroom.

### Partner with ASU for a successful summer:

- 40+ online high school courses
- 100+ college courses where students can earn concurrent credit
- Courses include highly qualified online teachers
- Flexible schedule
- Students can work at school or at home
