The Community Investment campaign at Archway Classical Academy | Cicero is an annual fund which covers the gap between what we need to deliver the Great Hearts educational model to our students and what we receive from public funding. Gifts to the Community Investment campaign support virtually every aspect of school life and are vital to providing our scholars the education they deserve to become Great-Hearted leaders.

We are pleased to thank the following donors who are generous supporters of our 2017-18 Community Investment campaign as of June 30, 2018.
