

STUDENT HOME SCREEN:

Has your child recently begun experiencing any of the following *in a way that is not normal for them?*

- Temperature >100°
- Shaking or exaggerated shivering
- Loss of taste or smell
- Cough
- Shortness of breath
- Difficulty breathing
- Sore throat
- Runny nose/congestion
- Chills
- Significant muscle pain
- Nausea or vomiting
- Diarrhea
- Headache
- Fatigue

If your child develops any of these symptoms your child should not come to school and will be sent home if these develop while at school. Please notify the school if your child is absent for any reason stated on this form or tests positive for COVID-19.

RE-ENTRY CRITERIA

Your child can return to school when the following criteria are met.

COVID-19 Positive:

1. At least 24 hours have passed since fever >100 without the use of fever reducing medications, and
2. Symptoms have improved, and
3. At least ten days have passed since symptoms began or, in the case of asymptomatic individuals, ten days since positive test result.
