

BEHAVIORAL GUIDELINES & DISCIPLINARY ACTIONS

At Great Hearts Summer Camp/Programs, our environment is designed to help form our young scholars into great-hearted children. We teach rules of proper behavior, and we reinforce kind and thoughtful acts towards others. We believe that, when children are taught what is expected of them and how to get along with others, they will be successful in engaging in fun, meaningful learning, and misbehavior will be minimal.

Our team is experienced in mentoring young children's behavior, and our program is designed to provide opportunities for our scholars to have experiences that promote the nine core virtues: humility, integrity, friendship, perseverance, wisdom, courage, responsibility, honesty, and citizenship.

If a scholar's behavior endangers their welfare and safety or that of other children or staff members, the child will be redirected into another activity. Should the scholar continue the behavior, s/he will be removed from the situation. Additionally, there may be circumstances where we ask you to pick up your child and keep him/her out of the program for a period (one day to one week, depending on the situation). In these cases, we will provide you written documentation of the unacceptable behaviors. We will also meet with you (in person or by phone) to discuss your child's behavior. We will make every effort to make reasonable accommodations to assist your child in being successful in the program.

In cases where after repeated intervention and notice to the guardians, scholars continuously engage in inappropriate behavior such as bullying, physically hurting self or others, inappropriate language, frequent tantrums, destruction of property, disobeying teachers' directives, running away from the class, etc., the scholar may be withdrawn from the program. Please note that no refunds will be issued for students who are asked to leave Summer Camp/Program due to continued inappropriate behavior.

FAMILY BEHAVIOR

We will do our best to partner with your family. However, there are rare occasions which a parents'/guardians' actions or behavior would warrant the need for them to find a more suitable setting for themselves and their scholar:

- Parent/Guardian fails to follow school policies and procedures
- Parent/Guardian employs abusive or threatening language toward staff or scholars
- Family or child's behavior does not reflect the mission of Great Hearts

ESS SERVICES & REASONABLE ACCOMMODATIONS

Great Hearts Summer Camp/Programs are tuition-based programs which are separate and distinct from the Great Hearts public charter school program. Great Hearts Summer Camp/Program is not a public, curriculum-based school program and ESS services are not

provided to Summer Camp/Program students; however, we do partner with parents/guardians and each academy in order to make reasonable, safe accommodations for any scholar in our care, in compliance with the ADA. If your student has an IEP or a 504 plan during the school day either at a Great Hearts academy or elsewhere, please let us know if there are reasonable accommodations your student may require to participate in the Summer Camp/Program. Please keep in mind that the accommodations provided in a summer camp environment may not be the same as those your student receives during the public school day.

INCOMING KINDERGARTEN SCHOLARS

- Please note that scholars do not take naps during Great Hearts Summer Camp/Programs.
- All children must be completely potty trained.

I (we), the undersigned, understand that Great Hearts Summer Camp/Program staff will first contact me directly after contacting emergency services in case of a life-threatening emergency. I (we) authorize Summer Camp/Program staff members (in the event they cannot reach me [us]) to serve as agent(s) for the undersigned to consent to any medical or surgical diagnosis or

treatment, anesthetic, X-ray exam, along with treatment and/or hospital care which is deemed advisable by, and is to be rendered under the general or special supervision of any physician or surgeon licensed under the provisions of the Medical Practice Act on the medical staff of any accredited hospital, whether such diagnosis or treatment is rendered at the office of said physician or at said hospital. I (we) understand that I (we) will be responsible for expenses for such services.

I (we) understand that this authorization is given in advance of any specific diagnosis, treatment, or hospital care being required, but is given to provide authority and power on the part of our aforesaid agent(s) to give specific consent to any and all such diagnosis, treatment, or hospital care which the aforementioned physician in the exercise of his/her best judgment may deem advisable. This form may be photocopied for use away from the main program site.

I (we) am aware that Great Hearts Summer Camp/Program involves less structured activities than the regular school day including playground time and game playing, and that such activities may result in risk of personal injury or harm to my child.

I (we) hereby agree to release and hold harmless Great Hearts Academies, its respective Boards of Directors, agencies, officers, employees, committees, and volunteers, from and against all liability, loss, damages, claims, or actions (including legal costs and attorneys' fees) for any bodily injury and/or property damage, to the extent permissible by law arising from or related to his/her participation.

This waiver and hold harmless agreement shall include indemnity against all costs (including without limitation, reasonable attorneys' fees and court costs), expenses, and liabilities incurred or in connection with any such claim or proceeding brought thereon and in defense thereof.

I (we) hereby give permission to Great Hearts Summer Camp/Programs for emergency transportation and/or treatment in the event of illness or injury.

I hereby accept responsibility for the payment of any emergency transportation and/or treatment.

I further certify that I am fully competent to enter into this agreement, and that I have informed the Great Hearts Summer Camp/Program in writing of any medical or physical conditions, including allergies, that would restrict my scholar's participation in any program or activity.
